大象训练方法对比 (笔记最后修改于:2026-04-09 13:32:21)

※ Two main techniques have been used for training elephants, which we may call respectively the tough and the gentle.

『**be used for ...** 用于...；被用来做...』

- This increases the expense of government, and reduces correspondingly the amount of economic resources that could **be used for** developing the country.
- Some hotels supply boiled water on request and this **can be used for** drinking, or for brushing teeth.

- This solar panel **is used for** generating electricity for the entire house. 这个太阳能电池板用于为整个房子发电。

『 **respectively** adv. in the same order as the things you have just mentioned 各自，分别 』

- The cups and saucers cost £5 and £3 **respectively**.
- The first and second prizes went to Jack and Jill **respectively**. 第一名和第二名分别由杰克和吉尔获得。
- The ingredients were divided into two groups, which **we may call respectively** the solids and the liquids. 原料被分成两组，我们可以分别称之为固体和液体。

respective adj. 各自的；分别的	• They each excel in their **respective** fields. • After the party we all went back to our **respective** homes. • After the meeting, they all returned to their **respective** offices. 会议结束后，他们都回到了各自的办公室。
respectable adj. 体面的，正派的 **a respectable citizen / family** 一个正派的公民 / 家庭	• We often read in novels how a seemingly **respectable** person or family has some terrible secret which has been concealed from strangers for years. • He has a **respectable** job in a large local company. 他在当地一家大公司有一份体面的工作。 • The young man comes from **a respectable family** in this neighborhood. 那个年轻人出身于这个社区一个正派的家庭。
respected adj. 受敬仰的，有名望的 **a highly respected surgeon** 一位备受尊敬的外科医生	• She is a well-known and **respected** member of the community. 她是该社区一位知名且受人敬仰的成员。 • The operation was performed by **a highly respected surgeon** from London. 手术是由一位来自伦敦的备受尊敬的外科医生进行的。
respectful adj. 尊敬的，尊重的	• You should be more **respectful** of other people's points of view. • He kept a **respectful** silence while the guest was speaking. 客人在讲话时，他保持着恭敬的沉默。
respecting prep. 关于… = concerning / regarding	I have received no information **respecting** the new policy. 我还没有收到关于新政策的消息。

In the article **respecting** scientists, the writer is particularly **respectful** of those who are not only **respectable** citizens, but **respected** experts in their **respective** fields. 在这篇有关科学家的文章中，作者特别尊重那些不但是体面正派的公民，而且在各自的领域中都深受敬仰的专家。

※ The former method simply consists of setting an elephant to work and beating him until he does what is expected of him.

『**set sb. to work (doing sth.)** to make sb. do work for you, esp. when they do not want to do this 让某人工作（尤指对方不情愿的情况下）』

- Don't complain that you're bored, or Dad will **set** you **to work**.
- I've **set** them **to work** clearing out the garage.
- The supervisor **set the interns to work** filing the documents. 主管让实习生们开始整理文件。

『**expect ... of sb.** 对某人希望…』

- I can't finish this job by Friday you **expect** too much **of me**.
- The school **expects** a lot **of its students**.
- Parents usually **expect too much of** their children. 父母通常对孩子寄予过高的期望。
- The new employee quickly learned to do what **was expected of** her in the fast-paced environment.这位新员工很快学会在快节奏的环境中做到人们期望她做到的事情。

※ Apart from any moral considerations this is a stupid method of training, for it produces a resentful animal who at a later stage may well turn man-killer.

『**apart from / aside form** 1. except for 除了』

- **Apart from** a few words, I do not know any French at all.
- **Apart from** a few minor errors, your essay was excellent. 除了几个小错误外，你的文章写得很棒。

『**apart from / aside form** 2. besides 除了…（还…）』

- **Apart from** an interesting-looking carved dagger, the box was full of crockery, much of it broken.
- Your behavior reflects on me, and I can't do my job if you're constantly humiliating me. Constantly? **Aside from** today, give me one example. 《绝望的主妇》
- **Apart from** her full-time job, she also works as a freelance translator. 除了全职工作外，她还兼职做自由译者。

『**apart from / aside form** 3. separate from 脱离开…』

- He must, for example, perceive an egg as a simple single solid shape, quite **apart from** its significance as food, or **from** the literary idea that it will become a bird.
- The guest house is located **apart from** the main building to ensure privacy. 客房与主楼分开，以确保私密性。

『**consideration** n. [C] thing that must be thought about or taken into account, reason 考虑到的事，原因，因素（常用复数）』

- Several **considerations** have influenced my decision.
- Political rather than **economic considerations** influenced the location of the new factory.

economic considerations 经济方面的考虑	The project was cancelled due to **economic considerations** and high inflation. 由于经济方面的考虑和高通胀，该项目被取消了。
commercial considerations 商业/贸易方面的考虑	Decisions about movie casting are often driven by **commercial considerations**. 电影选角的决定往往是由商业考虑驱动的。
environmental considerations 环境方面的考虑	The new factory was designed with strict **environmental considerations** in mind. 新工厂的设计充分考虑了严格的环境因素。
practical considerations 现实/实际方面的考虑	We need to balance artistic vision with **practical considerations** like budget and time. 我们需要在艺术构思与预算、时间等实际考虑之间取得平衡。

『 **method of / for (doing) sth.** （做）某事的方法/方式 』

- They are developing a more efficient **method of** recycling plastic. 他们正在开发一种更有效的塑料回收方法。
- A new **method for** treating the disease is being tested. 一种治疗该疾病的新方法正在测试中。
- ... if there is any effect of noise upon mental health, it must be so small that present **methods of** psychiatric diagnosis cannot find it.
- There is no quicker **method of** disposing of patients then by giving them what they are asking for, ...
- Those planning a trip to remote areas, or intending to live in countries where drinking water is not readily available, should know about the various possible **methods for making** water safe.

『 **may / might / could well ...** used to say that sth. is likely to happen or is likely to be true （某事）可能（发生或是真的） 』

- Another patient **might** equally **well** complain that her neighbours were combining to slander her and persecute her, and yet one might be cautious about believing this statement.
- ... and the railway of the future **may well** be the 'hovertrain', ...
- Over the years one **may well** become an authority on one's hobby and will very probably be asked to give informal talks to little gatherings and then, if successful, to larger audiences.

『 **turn** v. become 变成（不加冠词）如果导致主语身份的转变时不加冠词 』

- He has **turned** traitor.
- He used to be a teacher till he **turned** writer.
- She was betrayed by a childhood friend who **turned** government informant.

※ The gentle method requires more patience in the early stages, but produces a cheerful, good-tempered elephant who will give many years of loyal service.

『 **cheerful** adj. willing to do whatever is necessary in a happy way 乐意的，肯干的；兴高采烈的 』

- I'll do everything I can to help you, she said with a **cheerful** grin.
- Even when faced with difficult tasks, he remains **cheerful** and focused. 即便面对困难的任务，他依然保持乐意肯干的态度并专心致志。

a cheerful worker 一个乐意肯干的工人/员工	The manager is looking for **a cheerful worker** who can handle pressure with a smile. 经理正在寻找一名能够微笑着顶住压力、乐意肯干的员工。

『 **service** n. [U or pl.] the work that sb. does for a person or organization, esp. over a long period （长期的）工作 』
